Produced by GRAMMY-nominated Jeff Pardo, *Honest Conversations* features the viral (200 million views on TikTok alone), Top 5 Billboard radio hit and 2025 Dove Award-nominated video, "When I Fall," as well as "Honest Conversation" and "Learning How to Love Myself" – songs that address depression, doubt and self-acceptance. The album's "Have Your Way" and "I Found Jesus" reflect Nichole's faith journey while "My Dreams" highlights her reflections on achieving life goals and continuing to face anxiety.

"Music is a universal language, and I feel as though it gives us a safe place in some of our darkest moments. Music has saved my life on multiple occasions," shares Nichole. "Why? Because the

Lord gets me better than anyone else and He knew that I needed a song when nothing else could reach me. Sometimes a word or melody meets us exactly where we are at when we need it the most. When I started songwriting, I knew that I wanted to write songs that meant something. Even if it was just one person it impacted, then it was all worth it.

"I hope these songs meet you where you're at and start your healing journey," she continues. "In whatever season you're walking through, just know, you're never walking alone."

Undergoing intensive back surgery twice in her teens while simultaneously battling with the mental health implications, Nichole leans on music and faith through it all. Ultimately, her message is a reminder that everything is going to be alright: "This is my life experience. Until I die, I'll constantly be healing. However, I'm going to find so much beauty in this life through that."
