Inc. 5000

"Being recognized on the Inc 5000 list for the 2nd year in a row is an exciting milestone, but what truly fuels us at Life Changing Energy is the ripple effect we're creating. Our mission to raise the world's vibration one healer at a time is about more than just teaching—it's about spreading awareness of alternative healing modalities, making that knowledge fun and accessible to all. Watching our students go out and do great things, impacting their communities and beyond, is what makes this journey so rewarding. This recognition only drives us to keep reaching more people and empowering more healers to spread positive change."

— Vickie Gould, Founder & CEO, Life Changing Energy

This year's Inc. 5000 honorees have demonstrated exceptional growth while navigating economic uncertainty, inflationary pressure, and a fluctuating labor market. Among the top 500 companies on the list, the median three-year revenue growth rate reached 1,552 percent, and those

companies have collectively added more than 48,678 jobs to the U.S. economy over the past three years.

“Making the Inc. 5000 is always a remarkable achievement, but earning a spot this year speaks volumes about a company’s tenacity and clarity of vision,” says Mike Hofman, editor-in-chief of Inc. “These businesses have thrived amid rising costs, shifting global dynamics, and constant change. They didn’t just weather the storm—they grew through it, and their stories are a powerful reminder that the entrepreneurial spirit is the engine of the U.S. economy.”

Inc. will celebrate the honorees at the 2025 Inc. 5000 Conference & Gala, taking place October 22–24 in Phoenix, and the top 500 will be listed in the Fall issue of Inc. magazine.

They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2024. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2021 is \$100,000; the minimum for 2024 is \$2 million.
