Tami Bonnell, Co-Chair at EXIT Realty Corp. International, expressed her enthusiasm for the partnership, stating, “At EXIT Realty Corp. International, we are committed to providing our agents with the very best the industry has to offer. Our new collaboration with Mosaik is a testament to this commitment. By adding Mosaik to our portfolio of approved suppliers, we strive to continually set a standard of excellence. We welcome Mosaik on board.”

Mosaik combines collaborative home search, property analysis, e-signature, transaction management, client retention, and long-term homeownership support into one cohesive and branded digital ecosystem. The platform empowers agents to serve clients across their entire real estate journey, deliver exceptional service throughout the transaction, and maintain meaningful connections post-closing.

“I bought my first house when I was pretty young and, at the time, it felt like a long shot,” said Sheila Reddy, CEO of Mosaik. “The deal was complicated and the market was tough, but my agent, an EXIT agent, never flinched. He guided me through it with clarity, care, and unyielding commitment, even when I wanted to give up. That experience shaped how I see real estate and, in many ways, led to Mosaik. To now partner with EXIT is nothing short of an honor. As an organization, they remain committed to client service at the highest level, and we’re proud to equip their associates with the digital tools to further scale that impact.”

Through this partnership, EXIT Realty and Mosaik bring together trusted service and forward-thinking technology, giving agents the tools to deliver exceptional client experiences and fuel continued growth in an evolving market.
