

# Ampcus Inc. Names Julie Potter Vice President of Sales

*Ampcus is a technology consultant and staffing supplier to Fortune 500 companies, governments, and nonprofits across BFSI, Healthcare, Telecom, and Utilities.*

CHANTILLY, VA, UNITED STATES, August 18, 2025 /EINPresswire.com/ -- [Ampcus Inc.](https://www.ampcus.com/), a leading global provider of business and technology consulting and staff augmentation services, has named Julie Potter as Vice President of Sales.

Potter has nearly 20 years of experience in computer software sales, with a track record in business development, strategic partnerships and client relationship management. In her new role, she will focus on new client acquisitions, expanding partnerships, and strengthening relationships with Ampcus' commercial, government, and nonprofit clients.

Julie Potter, Vice President of Sales at Ampcus

"We are excited to welcome Julie to the Ampcus leadership team," said Salil Sankaran, president of Ampcus. "Her ability to win new clients, deep understanding of our markets, and passion for building lasting customer relationships will help accelerate our mission and achieve new milestones."

Potter previously held leadership roles at several professional services organizations, supporting Fortune 100 clients in executive business development and strategic partnership capacities.

"Julie's experience and leadership style align perfectly with our values of innovation, collaboration, and client-first thinking," said Charles McMahon, executive vice president of Ampcus. "We are confident she will have a significant impact on expanding our footprint and delivering greater value to clients."

Julie's experience and leadership style align perfectly with our values of innovation, collaboration, and client-first thinking."

*Executive Vice President,  
Charles McMahon*

"I'm thrilled to join Ampcus at such a dynamic moment," Potter said. "The company's commitment to innovation, customer success, and delivering unparalleled solutions resonates deeply with me. I look forward to collaborating with this talented team to create new opportunities, strengthen partnerships, and help our clients achieve their goals."

Potter will be based in Ampcus' Chantilly office. To connect,
