The newly approved course is designed to meet the requirements set forth by Section 627.0652, Florida Statutes for drivers aged 55 and older seeking insurance discounts through state-recognized mature driver education. The program offers Florida drivers a fully online curriculum that covers essential driving safety topics, including:

- \* Defensive driving techniques for mature drivers
- \* Florida motor vehicle laws and regulations
- \* Age-related changes that affect driving ability
- \* Strategies for adapting to physical and cognitive changes
- \* Safe driving practices in various weather and traffic conditions

Tommy Jaramillo, CEO of Defensive Drivers Institute, expressed his excitement about the approval: "We are thrilled to receive official recognition from the Florida Department of Highway Safety and Motor Vehicles for our mature driver course. Our mission has always been to provide high-quality, accessible driving education that promotes road safety for all ages. This approval allows us to help Florida's mature drivers not only improve their driving skills but also benefit

We are excited to bring our state-approved mature driver course to Florida residents aged 55 and older, helping them save on insurance while enhancing their driving safety skills."

from valuable insurance discounts."

The Florida Mature Driver Insurance Discount Course is now available to all Florida residents aged 55 and older seeking to reduce their insurance premiums while enhancing their driving knowledge and safety practices. Upon successful completion of the course, drivers can provide their completion certificate to their insurance company for a discount that typically lasts for three years, provided they maintain a clean driving record.

Defensive Drivers Institute's [fully online platform](#) is compatible with all devices, providing convenient access for participants to complete the course at their own pace. As part of its commitment to education, the institute offers interactive course elements, quizzes to reinforce learning, and a user-friendly interface to ensure an engaging and educational experience tailored specifically for mature drivers.

The insurance discount amount is determined by each individual insurance company, making this course a valuable investment for Florida's mature driving population. The discount remains valid as long as the driver is not involved in a crash for which they are cited and is neither convicted nor pleads guilty or nolo contendere to a moving violation.
