With FlyDealFare decade of expertise, travelers can book with confidence, knowing they'll get the right balance of affordability and travel comfort.” - Abhinandan Katoch

The surge in fares is primarily driven by the demand from Indians worldwide to celebrate festivals and the wedding season in the country. It's within August through November—when major Indian festivals are held to attract flyers across the planet—that eventually drives up the ticket prices.

Industry experts suggest that there is often a “magic booking window” when flights are typically at their lowest. For long-haul [US to India Flights](#), this is usually between two and three months before departure. FlyDealFare leverages this knowledge to provide travelers with the best possible fares at the right time.

The advertisement features the FlyDealFare logo in the top left corner. The main text reads: "Book Your **FLIGHTS TO INDIA** This Festival Season with **FlyDealFare** Unveiled Special Fares". Below this, a phone number is displayed: "+1-877-771-1620". The background of the ad shows a family of four (a man, a woman, and two children) dressed in traditional Indian attire, sitting on the floor in front of a decorated archway.
