

A2Z Deals Center LLC Officially Established as a New York Limited Liability Company

A2Z Deals Center LLC is now officially established as a New York Limited Liability Company, marking a new milestone in growth.

JAMAICA, NY, UNITED STATES, August 27, 2025 /EINPresswire.com/ -- A2Z Deals Center LLC has been officially incorporated as a domestic limited liability company in the State of New York, according to filing documents received from the New York State Department of State, Division of Corporations, State Records, and Uniform Commercial Code.

The Articles of Organization for A2Z Deals Center LLC were filed and approved on July 8, 2025, with the New York State Department of State assigning DOS ID number 7654003 and file number 250708001464. The company has been established with perpetual duration and is authorized to conduct business throughout the State of New York.

Joseph Noor serves as the organizer of the newly formed limited liability company, which has designated Queens County as its principal location of operations within New York State. The company's registered office for service of process is located at 80-30 164th Street, 2nd Floor, Jamaica, NY 11432.

As part of the standard incorporation process, A2Z Deals Center LLC has fulfilled all required state filing obligations, including payment of the mandatory \$200 filing fee to the New York State Department of State. The company's formation is in accordance with the provisions outlined in Section 203 of the New York State Limited Liability Company Law.

The Secretary of State of New York has been designated as the company's registered agent for service of process, ensuring compliance with state requirements for the delivery of legal documents. This designation affords the company the proper legal standing to conduct business operations within New York State jurisdiction.

Concurrent with its state incorporation, A2Z Deals Center LLC has obtained federal tax identification credentials from the Internal Revenue Service. The company received its Employer Identification Number (EIN) 39-3080519 on July 8, 2025, as confirmed by the IRS Cincinnati Processing Center through Notice CP-575 G.

The federal tax identification enables the company to fulfill various business obligations,

including tax filing requirements, banking relationships, and other commercial activities that require federal identification. The IRS has assigned the name control code “A2ZD” for electronic filing purposes.

A2Z Deals Center LLC operates under the limited liability company business structure, which provides operational flexibility while offering liability protection to its members. This entity type allows for various management structures and tax election options under both New York State and federal regulations.

The LLC structure permits the company to elect different tax classifications, including potential elections under Form 8832 for corporate taxation or Form 2553 for S Corporation status, should the company choose to modify its tax treatment in the future. These options provide strategic flexibility for business growth and tax planning purposes.

The company’s organizational documents establish a framework for business operations while maintaining compliance with applicable state and federal regulations. The perpetual duration designation indicates the company’s intention to operate as an ongoing business entity without predetermined termination dates.

Joseph Noor’s role as organizer involved preparing and filing the necessary formation documents, ensuring the accuracy of required information, and completing the incorporation process in accordance with New York State requirements. The organizer’s certification confirms the accuracy and completeness of all submitted documentation.

With its Jamaica, Queens location, A2Z Deals Center LLC positions itself within one of New York’s most diverse commercial corridors. Queens County represents a significant business hub with access to major transportation networks, international airports, and diverse consumer markets.

The company’s Queens County designation provides access to various local business resources, economic development programs, and networking opportunities available within the borough’s established business community.

All incorporation details can be independently verified through the New York State Department of State’s online portal at ecorp.dos.ny.gov using authentication number 100008346225. This public record access ensures transparency and enables verification of the company’s legal status and formation details.

The completed filing process includes all required documentation, fee payments, and regulatory submissions necessary for lawful business operations in New York State. The company’s records are maintained in accordance with state requirements for corporate documentation and annual reporting obligations.

The incorporation process was completed efficiently, with same-day processing and approval by state authorities. This timeline reflects the company's preparation of accurate documentation and compliance with all filing requirements established by the New York State Department of State.

The successful formation establishes A2Z Deals Center LLC as a legally recognized business entity authorized to conduct commercial activities, enter into contracts, maintain business accounts, and fulfill other standard business functions within the scope of limited liability company operations.

A2Z Deals Center LLC now operates as a fully incorporated business entity with appropriate state and federal credentials. The company's formation establishes the foundation for potential business development, commercial relationships, and operational activities within its designated market areas.

The completion of incorporation requirements positions the company to pursue its business objectives while maintaining compliance with applicable regulatory frameworks governing the operations of limited liability companies in New York State.
