

DIZPOT and OHCANN Collaborate on Pre-Roll Packaging to Launch Ohio's Regulated Pre-Roll Program

PHOENIX, AZ, UNITED STATES, August 26, 2025 /EINPresswire.com/ -- [DIZPOT](#), a leading provider of cannabis packaging, branding, and logistics, in collaboration with [Ohio Cannabis Coalition \(OHCANN\)](#), Ohio's leading trade association representing licensed cultivators, processors, dispensaries, and testing labs, is proud to announce support of the successful launch of Ohio's regulated pre-roll program.

The Division of Cannabis Control (DCC) in Ohio recently [pre-approved 26 single serving unit \(SSU\) packaging options](#) for pre-rolls, with 12 of those approvals coming from DIZPOT, the highest number from any single provider.

“

DIZPOT's regulatory expertise is a real asset to Ohio's cannabis industry. Their work has ensured our state is a model for safe and successful cannabis operations.”

David Bowling, Executive Director at OHCANN

Working closely with the DCC, DIZPOT, and other packaging companies, these efforts enabled the inclusion of a wide range of compliant, child-resistant packaging options such as pop-tops, joint tubes, tins, and jars.

“We're honored to be recognized as the top pre-roll packaging provider in Ohio,” said John Hartsell, Co-Founder of DIZPOT. “Our focus on compliance and speed-to-market helps our partners compete, grow and expand their offerings in the evolving industry.”

David Bowling, Executive Director at OHCANN, added,

“DIZPOT's regulatory expertise is a real asset to Ohio's cannabis industry. Their work has ensured our state is a model for safe and successful cannabis operations.”

This partnership is a strong example of how industry collaboration can streamline compliance,
