

Spiritual Memoir 'In the Covenant of the Ark' to Be Showcased at Manila International Book Fair 2025

New book by Judith Perrine Armour explores prophetic experiences and modern-day divine encounters

LOS ANGELES, CA, UNITED STATES, August 25, 2025 /EINPresswire.com/ -- [In the Covenant of the Ark](#), a newly published memoir by Judith Perrine Armour, will be featured at the upcoming Manila International Book Fair, taking place September 10–14, 2025, at the SMX Convention Center Manila.

The book documents a contemplative mystical journey and explores the enduring presence of God in modern

times. Presented as a spiritual chronicle, the memoir follows the author's personal experiences of receiving what she describes as the gifts of the Holy Spirit—including prophecy, healing, wisdom, discernment, and miracles. The narrative offers insight into how these manifestations align with the prophecy found in Joel 3:1–3, in which God promises to pour out His Spirit on all humanity.

Through a series of lived experiences, the book highlights various spiritual encounters that reflect God's continuing involvement in human lives. The work aims to encourage reflection on divine communication, spiritual readiness, and faith in contemporary society.

Author Judith Perrine Armour brings a voice shaped by prayer, contemplation, and a lifelong search for meaning within the context of Christian spirituality. *In the Covenant of the Ark* is intended for readers interested in charismatic faith expressions, personal transformation, and biblical prophecy.

The title will be available for viewing and purchase during the Manila International Book Fair
