

Christian Book Bridges Biblical Stories and Modern Faith Challenges in a Culture of Unbelief

Fred Beck's God's Person and Eternal Plan Offers Believers Clarity and Encouragement Through Scripture-Based Narratives

LOS ANGELES, CA, UNITED STATES, August 26, 2025 /EINPresswire.com/ -- Fred Beck invites readers to rediscover the heart of God through the lens of Scripture in *God's Person and Eternal Plan: Bible Stories for Believers Living in a Culture of Unbelief*. This compelling book connects ancient biblical truths with today's cultural confusion, helping Christians navigate their faith with renewed clarity and courage.

God's Person and Eternal Plan: Bible Stories for Believers Living in a Culture of Unbelief

Drawing from key stories across the Old and New Testaments, Beck explores how God reveals Himself—first in glimpses to prophets like Moses, and ultimately through the life, death, and resurrection of Jesus Christ. By blending direct Scripture quotations with historical context, emotional insight, and imaginative storytelling grounded in truth, Beck brings the Bible's characters and moments to life. His writing inspires readers to see God not as distant, but as deeply engaged in human history—and in their own personal journeys.

God's Person and Eternal Plan serves as both a devotional and theological guide for believers who feel disoriented by the rising tide of unbelief. Beck's prayer is that this book reawakens a sense of purpose in those whose spiritual growth has stalled amid societal pressures.

With decades of pastoral and international missionary experience, Beck draws from a lifetime of ministry to show how God continues to call, shape, and send His people into the world. Readers will come away with a stronger understanding of God's moral character and His unchanging plan for salvation through Jesus Christ.

The book will be showcased at the 2025 Manila International Book Fair, taking place September 10–14 at the SMX Convention Center Manila. It offers an urgent yet hopeful message for believers seeking light in a darkening world.
