A Suspenseful Treasure Hunt Ignites Legacy, Family Secrets, and Adventure Across the U.S.

LOS ANGELES, CA, UNITED STATES, August 26, 2025 /EINPresswire.com/ -- [Seventeen Parcels](#), the first book in The Moorhouse Trilogy by author Mic Lowther, takes readers on a gripping, unconventional treasure hunt across the American landscape—and it's heading to the Manila International Book Fair (MIBF) 2025. The highly anticipated event will take place from September 10–14, 2025, at the SMX Convention Center Manila.

Seventeen Parcels by Mic Lowther

In *Seventeen Parcels*, a wealthy man's final wish sets his three adult children on a journey to uncover 17 mysterious packages scattered across 17 U.S. states. Bound by secrecy, inheritance, and a strict set of rules, the siblings must locate and open each parcel in sequence—only after all have been found. The result is a suspense-filled odyssey of family dynamics, hidden motives, and long-kept secrets, with readers piecing together the clues as the heirs do.

Mic Lowther, a seasoned systems analyst and avid adventurer, brings a unique voice to the genre with decades of storytelling and lived experience. Having spent 35 years in Alaska and backpacked over 5,000 miles in 19 U.S. states, Lowther's writing blends technical detail with literary depth.

Readers attending the Manila International Book Fair can discover *Seventeen Parcels* alongside other global titles, offering a fresh take on family, mystery, and the thrill of the unknown.

Seventeen Parcels is available on Amazon and other leading online digital bookstores.
