HOUSTON, TX, UNITED STATES, September 9, 2025 /EINPresswire.com/ -- On Wednesday, September 10, 2025, internationally respected leadership coach, former hostage, and No. 1 bestselling author Jose Pereira will host an exclusive online event titled "[UNBREAKABLE: The Journey, The Book, The Impact](#)."

The event will be an intimate, faith-filled conversation between Pereira and his wife Mervis Ruiz, exploring the personal trials, spiritual revelations, and leadership insights that shaped Pereira's life and inspired his new book, *Unbreakable: Faith-Fueled Leadership for Life's Toughest Battles*. The evening will be moderated by Red Hilton, CEO of Belmont City Press

“

Jose leads with a gentle hand and a blessed spirit. His impact comes not just from what he's endured, but from how he lifts others through their darkest times.”

Red Hilton, Belmont City Press LLC, MC of "Unbreakable" Conference

and the publisher of *Unbreakable*. The live virtual event is free to attend and open to the public. It is ideal for business leaders, C-suite executives, entrepreneurs, and anyone seeking a stronger, faith-based foundation for their personal and professional growth.

A Night of Insight, Inspiration, and Impact

Pereira, founder of JoseConnect.com and former CEO of CITGO Petroleum, was wrongfully detained in Venezuela for nearly five years as one of the internationally recognized Citgo6. During that time, he faced profound loss, spiritual isolation, and emotional torment. But out of

that darkness came the foundation of a coaching and leadership philosophy rooted not in ego or fear, but in faith, resilience, and purpose.

"I never chose this path. I was a CEO, a father, and a husband until I was taken hostage and held for nearly five years. Behind prison walls, I lost everything I thought made me strong... and yet, in the silence, I found something greater: faith," said Pereira.

In this virtual event, Pereira and Ruiz will:

Share behind-the-scenes stories from Pereira's captivity and road to freedom

Reveal the faith-based leadership lessons that shaped the Unbreakable book and coaching model

Offer practical takeaways for leading through pressure, adversity, and uncertainty

Explore love, perseverance, and hope in the face of the unimaginable

"Jose's story isn't just inspiring. It's transformational," said Hilton, CEO of Belmont City Press. "This book and this night are for anyone who has ever asked themselves if they have what it takes to lead through the storm. Jose doesn't just say yes, he shows you how."

The event will conclude with a moderated Q&A session, allowing attendees to engage directly with Pereira and Ruiz.

About the Book: Unbreakable

Released by Belmont City Press and quickly climbing to No.1, Unbreakable is already generating buzz across the leadership and faith communities. It combines raw storytelling, scripture-based reflection, and real-world strategy into a guide for resilient leadership. Drawing from both Pereira's corporate experience and the crucible of wrongful imprisonment, the book is designed to equip leaders to stand firm, lead well, and thrive under pressure.

"This is my gift to you; leaders, executives, entrepreneurs, and anyone carrying the weight of life's toughest battles," says Pereira. "Inside, you'll find the raw story of my 5-year wrongful detention, and the faith-driven leadership lessons that carried me through the fire... and will help you build a foundation that never breaks."
