

The Future of Finance Is Intelligent: Qubittron at FATE 2025

Qubittron joins FATE 2025 to demonstrate how technology is transforming the finance function and redefining the enterprise of the future.

NEW YORK, NY, UNITED STATES,
September 18, 2025 /

EINPresswire.com/ -- [Qubittron](#) joins the [Finance & Accounting Technology Expo \(FATE\)](#) 2025 to demonstrate how technology is transforming the finance function and redefining the enterprise of the future.

The future of finance isn't about managing data – it's about unlocking growth.

Specializing in ERP, IT services and outsourcing, and vendor management, Qubittron empowers finance leaders to streamline operations, reduce complexity, and unlock new pathways for growth through intelligent automation.

“

The future of finance isn't about managing data – it's about unlocking growth.”

*Shubhendu Tripathi,
Managing Partner at
Qubittron*

“The future of finance isn't about managing data – it's about unlocking growth. At FATE 2025, Qubittron will reveal how intelligent ERP automation redefines what's possible, freeing leaders to focus on strategy, innovation, and the next wave of enterprise transformation,” said Shubhendu Tripathi, Managing Partner at Qubittron.

FATE 2025, taking place November 13–14 at the Javits Center in New York City, is the premier gathering for

finance and accounting professionals exploring cutting-edge technology solutions. Attendees will have the opportunity to connect with Qubittron experts, learn how intelligent ERP automation is shaping the future, and explore practical strategies for driving efficiency and innovation.

About FATE - The Finance & Accounting Technology Expo (FATE) is where innovation meets execution. Powered by CFO Leadership, FATE brings together thousands of senior finance professionals, technology providers, and thought leaders for two days of actionable insights,

strategic networking, and future-focused learning.
