

Jamjoom Pharma and Liferax announce the launch of the first Saudi-made biosimilar, Liferax, in the Kingdom of Saudi Arabia. The launch is a significant milestone for the Saudi pharmaceutical industry, marking the first time a Saudi-made biosimilar has been launched in the Kingdom. The launch is a testament to the commitment of the Saudi government to support the growth of the pharmaceutical industry and to ensure the availability of high-quality, affordable medicines for the Saudi population.

RIYADH, SAUDI ARABIA, October 27, 2025 /EINPresswire.com/ -- Jamjoom Pharma and Liferax announce the launch of the first Saudi-made biosimilar, Liferax, in the Kingdom of Saudi Arabia. The launch is a significant milestone for the Saudi pharmaceutical industry, marking the first time a Saudi-made biosimilar has been launched in the Kingdom. The launch is a testament to the commitment of the Saudi government to support the growth of the pharmaceutical industry and to ensure the availability of high-quality, affordable medicines for the Saudi population.
