

Peli Launches the ATX22 Carry-On: First in New TRAVEL Range of Rugged Hard-Sided Luggage

Durability meets sleek design in a new cabin-sized travel essential.

BARCELONA, SPAIN, November 10, 2025 /EINPresswire.com/ -- Peli Products, the global leader in protective cases and portable lighting systems, announces the launch of the [ATX22 Carry-On Hard-Sided Luggage](#), the first product in its new TRAVEL range. Designed for adventurous travellers seeking ultimate protection and organisation, the ATX Series marks Peli's bold expansion into premium luggage. The ATX22 has already gained international recognition, winning the prestigious Travel Goods 2025 Award in the United States.

Crafted with Peli's signature hard-shell durability, the ATX22 combines robust construction with a refined design suitable for both business and leisure travel. Measuring cabin-friendly dimensions, it is engineered to withstand the rigours of transit while keeping belongings safe from impact and weather conditions.

The ATX22 features:

- Crushproof and impact-resistant shell for maximum protection.
- Telescopic handle and Hinomoto® 360-degree spinner wheels for effortless mobility.
- Water-resistant seal to shield contents from rain and splashes.
- Smart interior organisation for keeping essentials accessible and secure.

Confidence you can roll with. The PELI ATX 22 keeps your world protected wherever you go.

Built for those who go further together. The PELI ATX 22 turns every journey into one you can trust.

With the travel industry rebounding and hybrid working blurring the lines between business and leisure trips, the ATX22 addresses a growing demand for resilient, versatile, and stylish luggage that performs across environments.

“Travellers in Europe need luggage that keeps pace with their lifestyles, from business trips to weekend getaways and off-the-grid adventures. With the ATX22, the first in our new TRAVEL range, we bring Peli’s proven protective technology into the luggage sector with a product that’s both functional and sophisticated,” said David Douillet, Director Consumer Sales.

Smart on the inside as well as the outside. The PELI ATX 22 combines precision engineering with effortless organisation.
