About Homes For Our Troops (HFOT): Homes For Our Troops (HFOT) is a publicly funded 501(c)(3) nonprofit organization that builds and donates specially adapted custom homes nationwide to severely injured post-9/11 Veterans. Most of these Veterans have sustained injuries, including multiple limb amputations, partial or full paralysis, blindness, severe burns, and/or severe traumatic brain injury (TBI). These homes restore some of the freedom and independence our Veterans sacrificed while defending our country, and enable them to focus on their family, recovery, and rebuilding their lives. HFOT builds these homes where the Veteran chooses to live, and continues its relationship with the Veterans after home delivery to assist them with rebuilding their lives. Since its inception in 2004, nearly 90 cents of every dollar spent has gone directly to our program services supporting Veterans. For more information, visit
