DALLAS, TX, UNITED STATES, November 13, 2025 /EINPresswire.com/ -- FormIQ today announced it has been named "[Onboarding Platform of the Year](#)" in the CoreLayer Digital 2025 Tech Awards, which recognize fintech and AI companies advancing automation, onboarding, and compliance. Selection criteria included product innovation and usability, market impact and adoption, ethical technology implementation, and potential to shape digital ecosystems.

[FormIQ helps](#) regulated industries replace ad-hoc client intake with a [policy-aware workflow](#): configurable steps and teams, dynamic forms that adapt by product and jurisdiction, in-flow ID/KYC/AML checks, sequenced e-signatures, and multi-level approvals that culminate in a single, audit-ready package for compliance.
