EINPresswire.com/ -- The team at [Pickle Everything Games](https://www.pickleeverythinggames.com/), creators of playful family game titles, has a dill-lightfully new way to satisfy the pickle pleasure of pickle fans. The Giggle Pickles are an original new line of plush pickle character collectibles that giggle when jiggled.

"Giggle Pickles were inspired by the laughter and fondness people have for both pickles and plush," Frank Adler, Partner at Pickle Everything Games, said. "Our first family of Giggle Pickles are six plush characters, who each have their own design and original giggle sound."

Giggle Pickles: Series One

[Giggle Pickles \(\\$14.99\)](#) come to life with a unique personality, facial expression, wild tuft of colorful hair, and connectible loop for backpack attachment, that all make the silly dillies instantly recognizable and highly collectible. Designed for ages 3 and up, and must-have collectible for kidult pickle fans, the plush pickle pals come with their official Brine On date of birth for equal parts collectible, cuddly, and comic appeal.
