The Premiums: Elevated Residences

Thoughtfully designed for today's discerning seniors, The Premiums bring together spacious layouts, refined finishes and a seamless connection to community life. The residences offer modern open floorplans, spa-inspired baths, expansive kitchens and ample storage. With a variety of layouts suited for both private comfort and social entertaining, The Premiums reflect Victory Lakes'

ongoing commitment to helping residents live joyfully in style and comfort.

A Reimagined Dining Experience

Complementing the new residences, the community's dining room is being fully transformed into a contemporary culinary destination called The Prairie Room. Residents will enjoy an elegant and inviting space designed for both intimate meals and larger gatherings. With a refreshed emphasis on chef-driven cuisine, seasonal menus and personalized service – the new dining experience is designed to delight residents, families and guests – making dining at Victory Lakes more than a meal, but a true lifestyle experience.

Investing in Today. Vision for Tomorrow.

The introduction of The Premiums and the reimagined dining room represents the first step in a broader community reinvestment strategy. Victory Lakes is committed to continuous innovation, ensuring residents have access to modern amenities, enriched lifestyle programming, and an inspired living environment for years to come.

"This expansion not only honors the history, design and location of our community, but also

reflects our vision for the future,” said Anshu Raina, Executive Director of The Village at Victory Lakes. “We are committed to growing a vibrant environment where older adults can thrive – living with purpose, joy and connection. The new Premium residences and the dining room transformation are just the beginning of an exciting new chapter, one that redefines what it means to live joyfully at Victory Lakes.”
