

HOLLYWOOD CASINO AT GREEKTOWN RECEIVES DETROIT FREE PRESS 'MICHIGAN TOP WORKPLACES' AWARD

Employee Survey Brings Casino Statewide Recognition for Exceptional Workplace Culture

DETROIT, MI, UNITED STATES, November 24, 2025 /EINPresswire.com/ -- Hollywood Casino at Greektown, the 100,000-square-foot gaming, entertainment, lodging, and dining destination, has been awarded a Top Workplaces 2025 honor by Michigan Top Workplaces 2025. The annual list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage, LLC.

Earlier this year, Hollywood Casino at Greektown employees were invited to participate in a confidential survey designed to capture candid insights and feedback about their workplace experience. The survey measured key culture themes, including "Employees Feeling Respected and Supported," "Enabled to Grow," and "Empowered to Execute," providing valuable data to help leadership continue strengthening its workplace environment.

"We're truly honored to be recognized by the Detroit Free Press as one of Michigan's Top Workplaces," said John Drake, General Manager of Hollywood Casino at Greektown. "This award means so much because it's based on feedback from our team members, whose dedication, passion, and commitment to excellence make our property a standout among Michigan companies."

This recognition reflects Hollywood Casino at Greektown's ongoing commitment to fostering a positive and inclusive workplace where team members feel valued and empowered. From professional development opportunities to employee engagement initiatives, the casino continuously strives to create an environment where every team member can thrive and take pride in contributing to the property's success.

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."
