

Scott Haack Featured on Next Level CEO

FL, UNITED STATES, May 4, 2026

/EINPresswire.com/ -- Scott Haack, founder of HOVER HERO, is set to appear on Next Level CEO, where he shares insights on UAV innovation, medical-device-informed development, and building technology that improves safety, efficiency, and quality of life through purpose-driven entrepreneurship.

Next Level CEO is a high-impact educational series hosted by Daymond John, designed to spotlight elite entrepreneurs, industry leaders, and top performers who have built powerful brands and created meaningful impact. The series gives viewers a rare inside look at real strategies, mindsets, and leadership lessons from those who have actually built lasting success. Each episode highlights a CEO's story and expertise, revealing the moves that drive influence, growth, and modern business excellence.

You can find out more about the show by visiting their [website](#)

In Haack's episode, he explores how cross-industry innovation between drone systems and medical device thinking can accelerate real-world solutions, and breaks down how disciplined execution, user-centered design, and long-term thinking fuel measurable impact.

Scott's episode will be available soon on Inside Success Network through their distribution platforms. In the meantime, you can find out more by visiting <https://cast.nextlevelceotv.com/scott-haack>
