Becoming part of Kohler's Installer/ASR program — supported through the Kohler Partner Network (KPN) — marks another important milestone for Plumbing System Pros as the company continues expanding its residential service operations throughout Houston and surrounding communities.

As a member of the program, Plumbing System Pros will provide professional installation, repair, and warranty-related plumbing services for Kohler customers while maintaining the high standards associated with the Kohler brand. The program ensures homeowners receive expert

support from licensed plumbing professionals familiar with Kohler's premium products and service expectations.

"Our team takes great pride in earning the trust of homeowners across Houston, and being part of Kohler's Installer/ASR program reinforces our commitment to quality and professionalism," said a representative from Plumbing System Pros. "We enjoy working closely with Kohler to ensure their customers receive outstanding service, expert workmanship, and a smooth experience from start to finish."

Plumbing System Pros continues to distinguish itself in the Houston plumbing industry by offering responsive service, experienced technicians, and competitive pricing without compromising quality. The company services a wide range of residential plumbing needs, including water heaters, drain cleaning, leak detection, fixture installation, sewer services, water filtration systems, and complete plumbing repairs.

Through its growing partnerships with leading manufacturers such as Kohler, Plumbing System Pros remains focused on delivering long-term value and [dependable plumbing solutions](#) for homeowners throughout the Houston market.
